

Plan 1

A step-down entry with a gracefully arched window overlooks the living room and dining area of this two-bedroom home. A volume ceiling and bay window create a dramatic impression in the dining area, which opens to the living room with a fireplace and wet bar for casual entertaining. A sliding glass door

opens into a private patio.

For added privacy, the master bedroom suite is on a separate level, featuring a sitting room, dressing table, balcony and private bath with skylight. The second bedroom is highlighted by a walk-in closet, private bath and balcony.

Plan 3

This two-bedroom plus den home features a unique two-story dining room with a bay window. A living room is highlighted by a fireplace and wet bar with a built-in wine rack. A sliding glass door leads to a private patio. The master bedroom suite has a sitting

room, huge walk-in closet, spacious bath with skylight and exterior balcony. The den, which overlooks the dining room, is available as a third bedroom, or the second bedroom and den may be combined to form a second master bedroom suite with a private bath.
